

# Plan B without KMK

19 June 2022

## OUR IDEAS

1. We thinking to Create a CRM for Clinics, Hospitals, Education centers or Real estate, and Buying it to Clients immediately based on their features, and if they need special feature will applying it.
2. Based on Our talking with Mostafa, There're 5 projects that will enter our department within this Week.
3. Based on Christine's session with Sales team, We expecting to Get a Clients from them.
  - a. And we need to let Sales to get Clients like KMK, with **Annual fees**.
4. Deadline will be flexible and will take as short a time as possible.

## BAD SCENARIO

1. Within one month, if there're no Projects entered our Department.
  - a. First Option will be Working from Home with half salary
  - b. Second Option will be Working from Home and signing a Freelance Contract.
